ARMY ENTERPRISE LLM WORKSPACE • IL5

Founder & Lead SME — U.S. Navy Program Office, NAS Patuxent River

Programs AI and develops code on the Army's CUI-accredited generative AI platform across the ATO lifecycle — documentation, policy and procedure development, tracking, and monitoring. Completed a NIST SP 800-53 Rev 5 analysis estimated at 8+ months of effort in 3 days; consolidated 12 large, scattered legacy and current SOPs into 20 Rev 5 control-family policies, then built a repeatable AI program that lets two people complete a rewrite of that size, estimated at 8+ months, in 5 days; designed and taught a DoD military AI course.

CONSULTING & STAFFING

Department of Defense, Joint Program Office — A&A, IT system and data management policy with OSD, Navy, Air Force, Marines, AT&L, NAVAIR, and Foreign Partner Nations;
U.S. Army ISSM support

Library of Congress — ISSO support and A&A activities

Pension Benefit Guaranty Corporation — Senior Risk Advisor, A&A

HUD — Auditing, assessment, GRC; Senior Risk Advisor

BTI (formerly 1 Source Consulting) — CISO support services, ISO 27001 certification support

TRAINING

Learning Tree International — Instructor, NIST and FIPS courses for federal and commercial clients

BTI (formerly 1 Source Consulting) — Trained staff for DoD IAT/IAM Level III certifications

DKW Communications — DoD IAT/IAM Level III certification training

State of Maryland • Employ Prince George's • American Job Center — Award-winning foundational-to-advanced cyber workforce development

Military AI Operator Course

DELIVERED TO DoD

Using, programming, analyzing, strategizing, and goal-setting with IL5 GenAI

Applied AI for RMF Practitioners

Hands-on with IL5 GenAI to speed control assessment, eMASS, and ConMon

Securing AI Systems

Adversarial ML threats, AI red-teaming, and NIST AI RMF governance

DoD 8140 Certification Bootcamps

CISSP, CISM, CEH, Security+, PMP — mapped to DCWF work roles

RMF & A&A for ISSOs

NIST SP 800-37 Rev 2, 800-53 Rev 5, and 800-53A in practice

CMMC & NIST SP 800-171 Readiness

For the Defense Industrial Base and program offices

DELIVERY: ON-SITE • VIRTUAL • HYBRID • MENTORING & HANDS-ON LABS
